

calculate and prepare any of the information required by, and to notify the Trustee of any of the determinations made pursuant to, this subsection (e).

(e) The determination of any rate of interest by the Remarketing Agent in accordance with this Ninth Supplemental Indenture or by the Auction Agent in accordance with the Auction Procedures applicable to Auction Rate Warrants or the establishment of Calculation Periods or Auction Periods by the Remarketing Agent as provided in this Ninth Supplemental Indenture shall be conclusive and binding upon the County, the Trustee, the Tender Agent, the Remarketing Agent, the Auction Agent, each issuer of a Support Facility, and the registered and beneficial owners of the Series 2003-B Warrants. Failure of the Remarketing Agent, the Trustee, the Tender Agent, the Auction Agent, or the Securities Depository or any Securities Depository participant to give any of the notices described in this Ninth Supplemental Indenture, or any defect therein, shall not affect the interest rate to be borne by any of the Series 2003-B Warrants or the applicable Calculation Period or Auction Period nor in any way change the rights of the registered owners of the Series 2003-B Warrants to tender their Warrants for purchase or to have them redeemed in accordance with this Ninth Supplemental Indenture. The Trustee shall be fully protected in relying on the most recent rate in effect if it has not received timely notice of any interest rate change.

(f) Except as otherwise set forth above, interest on the Series 2003-B Warrants shall be paid to the registered owner thereof at his or her address as it appears on the registration books kept by the Trustee pursuant to the Indenture at the close of business on the applicable Record Date. No transfer or exchange of Series 2003-B Warrants shall be required to be made by the Trustee after a Record Date until the next succeeding Interest Payment Date.

(g) Except as otherwise provided in this subsection (g), the Trustee shall calculate and notify the Tender Agent of the amount of interest due and payable on each Interest Payment Date or other date on which interest is payable and on each purchase date by 10:00 a.m. (1:00 p.m. during a Daily Rate Period) on the Business Day next preceding such Interest Payment Date or other date or purchase date, as the case may be. In preparing such calculation the Trustee may rely on calculations or other services provided by the Remarketing Agent, the Auction Agent or any person or persons selected by the Trustee in its discretion, or by the County pursuant to subsection (e). During a Commercial Paper Rate Period, the Remarketing Agent shall notify the Trustee, the Tender Agent and the County of the amount of interest due and payable on each Interest Payment Date by 10:00 a.m. on the Business Day next preceding such Interest Payment Date. During an Auction Rate Period, the Auction Agent shall notify the Trustee at least seven days prior to each Interest Payment Date of the Auction Rate and the aggregate amount of interest payable on such Interest Payment Date.

(h) Anything herein to the contrary notwithstanding, in no event shall the interest rate borne by any Series 2003-B Warrant exceed the maximum rate allowable by applicable law.

Section 3.2 Commercial Paper Rate. During any Commercial Paper Rate Period, at or prior to 9:30 a.m. (New York City time) on the Determination Date for each Calculation Period, the

Remarketing Agent shall determine the Calculation Period and related Commercial Paper Rate, and shall notify the Trustee and the County of the Calculation Period. In determining each such Calculation Period, the Remarketing Agent shall take the following factors into account: (i) existing short-term taxable and tax-exempt market rates and indices of such short-term rates, (ii) the existing market supply and demand for short-term tax-exempt securities, (iii) existing yield curves for short-term and long-term tax-exempt securities or obligations having a credit rating that is comparable to the Series 2003-B Warrants, (iv) general economic conditions, (v) economic and financial factors present in the securities industry that may affect or that may be relevant to the Series 2003-B Warrants, and (vi) any information available to the Remarketing Agent pertaining to the County regarding any events or anticipated events which could have a direct impact on the marketability of or interest rate on the Series 2003-B Warrants. The Remarketing Agent shall select the Calculation Period and the applicable Commercial Paper Rate that, together with all other Calculation Periods and related Commercial Paper Rates, in the sole judgment of the Remarketing Agent, will result in the lowest overall borrowing cost on the Series 2003-B Warrants or are otherwise in the best financial interests of the County, as determined in consultation with the County. Any Calculation Period established hereunder for any Series 2003-B Warrants may not extend beyond the Fixed Rate Conversion Date, the expiration date of the Liquidity Facility securing such warrants or the day prior to the Stated Maturity of such warrants.

The County may place such limitations upon the establishment of Calculation Periods as may be set forth in a written direction from the County, which direction must be received by the Trustee and the Remarketing Agent prior to 10:00 a.m. (New York City time) on the day prior to any Determination Date to be effective on such date, but only if the Trustee receives an Opinion of Bond Counsel to the effect that such action is authorized by this Ninth Supplemental Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Series 2003-B Warrants from gross income for federal income tax purposes.

Section 3.3 Auction Rate Period – Auction Rate: Auction Period – General. (a) During any Auction Rate Period, the Series 2003-B Warrants shall bear interest at the Auction Rate determined as set forth in this Section 3.3 and Sections 3.4 through 3.10. The Auction Rate for any initial Auction Period immediately after any Change in the Interest Rate Mode to an Auction Rate for an Auction Rate Period shall be the rate of interest per annum determined and certified to the Trustee (with a copy to the County) by the Remarketing Agent on a date not later than the effective date of such Change in the Interest Rate Mode as the minimum rate of interest which, in the opinion of the Remarketing Agent, would be necessary as of such date to market Auction Rate Warrants in a secondary market transaction at a price equal to the principal amount thereof; provided that such interest rate shall not exceed 110% of the sum of the Index and .50% per annum. For any other Auction Period, the Auction Rate shall be the rate of interest per annum that results from implementation of the Auction Procedures. If on any Auction Date, the Auction Agent shall fail to take any action necessary to determine, or any action which effectively prevents the determination of, a rate of interest pursuant to the Auction Procedures, the Auction Rate for the next succeeding Auction Period shall equal the Maximum Auction Rate as provided in clause (i) of the definition thereof on and as of such Auction Date. Determination of the Auction Rate pursuant to the Auction Procedures

shall be suspended upon a Change in the Interest Rate Mode, the occurrence of a Failure to Deposit or the occurrence of an Event of Default. Upon the occurrence of a Failure to Deposit on any Auction Date, no Auction will be held, all Submitted Bids and Submitted Sell Orders shall be rejected, the existence of Sufficient Clearing Bids shall be of no effect and the Auction Rate for the next succeeding Auction Period shall equal the Maximum Auction Rate on and as of such Auction Date. The Auction Rate for any Auction Period or remaining portion thereof following the occurrence of an Event of Default shall be equal to the Overdue Rate as determined on and as of the immediately preceding Auction Date. The Overdue Rate shall be redetermined by the Remarketing Agent on each Auction Date.

(b) Auction Periods may be established pursuant to Section 3.4 at any time unless a Failure to Deposit or an Event of Default has occurred and has not been cured or waived. Each Auction Period shall be a Standard Auction Period unless a different Auction Period is established pursuant to Section 3.4 and each Auction Period which immediately succeeds a non-Standard Auction Period shall be a Standard Auction Period unless a different Auction Period is established pursuant to Section 3.4.

Section 3.4 Auction Rate Period – Auction Rate Warrants: Change of Auction Period by County. (a) During an Auction Rate Period, the County may change the length of a single Auction Period or the Standard Auction Period for any series by means of a written notice delivered at least 10 days prior to the Auction Date for such Auction Period to the Trustee, the Remarketing Agent, the Auction Agent and the Securities Depository in substantially the form furnished to the Trustee and the Auction Agent at the time of a Change in the Interest Rate Mode to an Auction Rate. Any Auction Period or Standard Auction Period established by the County pursuant to this Section 3.4 may not exceed 365 days in duration. If such Auction Period will be of less than 35 days, such notice shall be effective only if it is accompanied by a written statement of the Trustee, the Remarketing Agent, the Auction Agent and the Securities Depository to the effect that they are capable of performing their duties hereunder and under the Remarketing Agreement and the Auction Agency Agreement with respect to such Auction Period. If such notice specifies a change in the length of the Standard Auction Period, such notice shall be effective only if it is accompanied by the written consent of the Remarketing Agent to such change. The length of an Auction Period or the Standard Auction Period may not be changed pursuant to this Section 3.4 unless Sufficient Clearing Bids existed at both the Auction immediately preceding the date the notice of such change was given and the Auction immediately preceding such changed Auction Period.

(b) The change in length of an Auction Period or the Standard Auction Period shall take effect only if (A) the Trustee and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding the Auction Date for such Auction Period, a certificate from the County by telecopy, facsimile, or similar means in substantially the form furnished to the Trustee and the Auction Agent at the time of a Change in the Interest Rate Mode to an Auction Rate authorizing the change in the Auction Period or the Standard Auction Period, which shall be specified in such certificate, and confirming that Bond Counsel expects to be able to give an Opinion of Bond Counsel referred to in (D) below on the first day of such Auction Period, (B) the Trustee shall not

have delivered to the Auction Agent by 12:00 noon (New York City time) on the Auction Date for such Auction Period notice that a Failure to Deposit has occurred, (C) Sufficient Clearing Bids exist at the Auction on the Auction Date for such Auction Period, and (D) the Trustee and the Auction Agent receive by 9:30 a.m. (New York Citytime) on the first day of such Auction Period, an opinion of Bond Counsel to the effect that the change in the Auction Period or the Standard Auction Period is authorized by this Ninth Supplemental Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on such Series 2003-B Warrants from gross income for federal income tax purposes. If the condition referred to in (A) above is not met, the Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Auction Procedures and the next succeeding Auction Period shall be a Standard Auction Period. If any of the conditions referred to in (B), (C) or (D) above is not met, the Auction Rate for the next succeeding Auction Period shall equal the Maximum Auction Rate as determined as of such Auction Date.

Section 3.5 Auction Rate Period – Auction Rate Warrants: Change of Auction Date by Remarketing Agent. During an Auction Rate Period, the Remarketing Agent, with the written consent of the County, may change, in order to conform with then-current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date, the Auction Date for all future Auction Periods to a different day, so long as the first such Auction Date will be a Business Day in the calendar week in which the next succeeding Auction Date is then scheduled to occur. If a change in an Auction Date is undertaken in conjunction with a change in an Auction Period and the conditions for the establishment of such change in Auction Period are not met, the Auction Date may be, and the next succeeding Auction Period may be adjusted to end on, a Business Day in the calendar week in which such Auction Date was scheduled to occur and such Auction Period was scheduled to end to accommodate the change in the Auction Date. The Remarketing Agent shall deliver a written notice of its determination to change an Auction Date at least 10 days prior to the Auction Date immediately preceding such Auction Date to the County, the Trustee, the Auction Agent and the Securities Depository which shall state (i) the determination of the Remarketing Agent to change the Auction Date, (ii) the new Auction Date and (iii) the date on which such Auction Date shall be changed. If, as a result of any proposed change in the Auction Date, any Auction Period would be less than 28 days in duration, such notice shall be effective only if it is accompanied by a written statement of the Auction Agent, the Trustee, the Remarketing Agent and the Securities Depository to the effect that they are capable of performing their duties hereunder and under the Remarketing Agreement and Auction Agency Agreement with respect to any such Auction Period. In no event shall any Standard Auction Period be less than seven days.

Section 3.6 Auction Rate Period – Auction Rate Warrants: Orders by Beneficial Owners and Potential Beneficial Owners. (a) Prior to the Submission Deadline on each Auction Date during the Auction Rate Period, the following orders may be submitted:

- (i) each Beneficial Owner of Auction Rate Warrants may submit to the Broker-Dealer by telephone or otherwise information as to:

(1) the principal amount of Outstanding Auction Rate Warrants, if any, held by such Beneficial Owner which such Beneficial Owner desires to continue to hold without regard to the Auction Rate for the next succeeding Auction Period;

(2) the principal amount of Outstanding Auction Rate Warrants, if any, held by such Beneficial Owner which such Beneficial Owner offers to sell if the Auction Rate for the next succeeding Auction Period shall be less than the rate per annum specified by such Beneficial Owner; and/or

(3) the principal amount of Outstanding Auction Rate Warrants, if any, held by such Beneficial Owner which such Beneficial Owner offers to sell without regard to the Auction Rate for the next succeeding Auction Period;

(ii) one or more Broker-Dealers may contact Potential Beneficial Owners by telephone or otherwise to determine the principal amount of Auction Rate Warrants which each such Potential Beneficial Owner offers to purchase if the Auction Rate for the next succeeding Auction Period shall not be less than the interest rate per annum specified by such Potential Beneficial Owner.

For the purposes hereof, the communication to a Broker-Dealer of information referred to in clause (i)(1), (i)(2) or (i)(3) or clause (ii) above is hereinafter referred to as an "Order" and collectively as "Orders" and each Beneficial Owner and each Potential Beneficial Owner placing an Order is hereinafter referred to as a "Bidder" and collectively as "Bidders"; an Order containing the information referred to in clause (i)(1) above is hereinafter referred to as a "Hold Order" and collectively as "Hold Orders"; an Order containing the information referred to in clause (i)(2) or clause (ii) above is hereinafter referred to as a "Bid" and collectively as "Bids"; and an Order containing the information referred to in clause (i)(3) above is hereinafter referred to as a "Sell Order" and collectively as "Sell Orders". The submission by a Broker-Dealer of an Order to the Auction Agent shall likewise be referred to herein as an "Order" and collectively as "Orders" and an Existing Holder or Potential Holder who places an Order with the Auction Agent or on whose behalf an Order is placed with the Auction Agent shall likewise be referred to herein as a "Bidder" and collectively as "Bidders."

(b) (i) Subject to the provisions of Section 3.7, a Bid by a Beneficial Owner or an Existing Holder shall constitute an irrevocable offer to sell:

(1) the principal amount of Outstanding Auction Rate Warrants specified in such Bid if the Auction Rate determined on such Auction Date shall be less than the interest rate per annum specified therein; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Warrants to be determined as set forth in subsection (a)(iv) of Section 3.9 if the Auction Rate determined on such Auction Date shall be equal to the interest rate per annum specified therein; or

(3) such principal amount of Outstanding Auction Rate Warrants if the interest rate per annum specified therein shall be higher than the Maximum Auction Rate, or such principal amount or a lesser principal amount of Outstanding Auction Rate Warrants to be determined as set forth in subsection (b)(iii) of Section 3.9 if such specified rate shall be higher than the Maximum Auction Rate and Sufficient Clearing Bids do not exist.

(ii) Subject to the provisions of Section 3.7, a Sell Order by a Beneficial Owner or an Existing Holder shall constitute an irrevocable offer to sell:

(1) the principal amount of Outstanding Auction Rate Warrants specified in such Sell Order; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Warrants as set forth in subsection (b)(iii) of Section 3.9 if Sufficient Clearing Bids do not exist.

(iii) Subject to the provisions of Section 3.7, a Bid by a Potential Beneficial Owner or a Potential Holder shall constitute an irrevocable offer to purchase:

(1) the principal amount of Outstanding Auction Rate Warrants specified in such Bid if the Auction Rate determined on such Auction Date shall be higher than the rate specified therein; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Warrants as set forth in subsection (a)(v) of Section 3.9 if the Auction Rate determined on such Auction Date shall be equal to such specified rate.

Section 3.7 Auction Rate Period – Auction Rate Warrants: Submission of Orders by Broker-Dealers to Auction Agent. (a) During an Auction Rate Period each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date, all Orders obtained by such Broker-Dealer, designating itself (unless otherwise permitted by the County) as an Existing Holder in respect of the principal amount of Auction Rate Warrants subject to Orders submitted or deemed submitted to it by Potential Beneficial Owners, and shall specify with respect to each such Order:

(i) the name of the Bidder placing such Order (which shall be the Broker-Dealer (unless otherwise permitted by the County));

(ii) the aggregate principal amount of Auction Rate Warrants that are subject to such Order;

(iii) to the extent that such Bidder is an Existing Holder:

(1) the principal amount of Auction Rate Warrants, if any, subject to any Hold Order placed by such Existing Holder;

(2) the principal amount of Auction Rate Warrants, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(3) the principal amount of Auction Rate Warrants, if any, subject to any Sell Order placed by such Existing Holder; and

(iv) to the extent such Bidder is a Potential Holder, the principal amount of Auction Rate Warrants subject to any Bid by such Potential Holder and the rate specified in such Bid.

(b) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(c) If an Order or Orders covering all or a portion of Outstanding Auction Rate Warrants held by an Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Outstanding Auction Rate Warrants held by such Existing Holder and not subject to Orders submitted to the Auction Agent.

(d) Neither the County, the Trustee nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder, Beneficial Owner, Potential Holder or Potential Beneficial Owner.

(e) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Outstanding Auction Rate Warrants held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(i) all Hold Orders shall be considered valid, but only up to and including the principal amount of Auction Rate Warrants held by such Existing Holder, and, if

the aggregate principal amount of Auction Rate Warrants subject to such Hold Orders exceeds the aggregate principal amount of Outstanding Auction Rate Warrants held by such Existing Holder, the aggregate principal amount of Auction Rate Warrants subject to each such Hold Order shall be reduced pro rata to cover the aggregate principal amount of Outstanding Auction Rate Warrants held by such Existing Holder;

(ii) (1) any Bid shall be considered valid up to and including the excess of the principal amount of Outstanding Auction Rate Warrants held by such Existing Holder over the aggregate principal amount of Auction Rate Warrants subject to any Hold Orders referred to in paragraph (i) above;

(2) subject to clause (1) above, if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Outstanding Auction Rate Warrants subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and, the principal amount of Auction Rate Warrants subject to each Bid with the same rate shall be reduced pro rata to cover the principal amount of Auction Rate Warrants equal to such excess;

(3) subject to clauses (1) and (2) above, if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(4) in any such event, the aggregate principal amount of Outstanding Auction Rate Warrants, if any, subject to any portion of Bids not valid under this paragraph (ii) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(iii) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Outstanding Auction Rate Warrants held by such Existing Holder over the aggregate principal amount of Auction Rate Warrants subject to valid Hold Orders referred to in paragraph (i) of this subsection (e) and valid Bids referred to in paragraph (ii) of this subsection (e).

(f) If more than one Bid for Auction Rate Warrants is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid for Auction Rate Warrants with the rate and principal amount therein specified.

(g) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Auction Rate Warrants not equal to \$25,000 or an integral multiple thereof shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Auction Rate Warrants not equal to \$25,000 or an integral multiple thereof shall be rejected.

(h) Any Bid submitted by an Existing Holder or a Beneficial Owner specifying a rate lower than the All Hold Rate shall be treated as a Bid specifying the All Hold Rate and will not be accepted if submitted by a Potential Beneficial Owner or a Potential Holder.

Section 3.8 Auction Rate Period – Auction Rate Warrants: Determination of Sufficient Clearing Bids, Winning Bid Rate and Auction Rate. (a) During an Auction Rate Period not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order") and shall determine:

(i) the excess of the total principal amount of Outstanding Auction Rate Warrants over the aggregate principal amount of Outstanding Auction Rate Warrants subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available Auction Rate Warrants"); and

(ii) from the Submitted Orders whether the aggregate principal amount of Outstanding Auction Rate Warrants subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Auction Rate exceeds or is equal to the sum of:

(1) the aggregate principal amount of Outstanding Auction Rate Warrants subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Auction Rate; and

(2) the aggregate principal amount of Outstanding Auction Rate Warrants subject to Submitted Sell Orders

(in the event of such excess or such equality (other than because the sum of the principal amounts of Auction Rate Warrants in clauses (A) and (B) above is zero because all of the Outstanding Auction Rate Warrants are subject to Submitted Hold Orders), such Submitted Bids by Potential Holders are hereinafter referred to collectively as "Sufficient Clearing Bids"); and

(iii) if Sufficient Clearing Bids exist, the lowest rate specified in the Submitted Bids (the "Winning Bid Rate") which if:

(1) (a) each Submitted Bid from Existing Holders specifying such lowest rate and (b) all other Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the principal amount of Auction Rate Warrants that are the subject of such Submitted Bids; and

(2) (a) each Submitted Bid from Potential Holders specifying such lowest rate and (b) all other Submitted Bids from Potential Holders specifying lower rates were accepted,

would result in such Existing Holders described in clause (1) above continuing to hold an aggregate principal amount of Outstanding Auction Rate Warrants which, when added to the aggregate principal amount of Outstanding Auction Rate Warrants to be purchased by such Potential Holders described in clause (2) above, would equal not less than the Available Auction Rate Warrants.

(b) Promptly after the Auction Agent has made the determinations pursuant to subsection (a) of this Section 3.8, the Auction Agent, by telecopy or facsimile shall advise the County, the Trustee and the Broker-Dealers of the Maximum Auction Rate and the components thereof on the Auction Date and, based on such determinations, the Auction Rate for the next succeeding Auction Period as follows:

(i) if Sufficient Clearing Bids exist, the Auction Rate for the next succeeding Auction Period therefor shall be equal to the Winning Bid Rate so determined;

(ii) if Sufficient Clearing Bids do not exist (other than because all of the Outstanding Auction Rate Warrants are the subject of Submitted Hold Orders), the Auction Rate for the next succeeding Auction Period therefor shall be equal to the Maximum Auction Rate; and

(iii) if all of the Auction Rate Warrants are subject to Submitted Hold Orders, the Auction Rate for the next succeeding Auction Period therefor shall be equal to the All Hold Rate.

Section 3.9 Auction Rate Period – Auction Rate Warrants: Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Auction Rate Warrants. During an Auction Rate Period, Existing Holders shall continue to hold the principal amounts of Auction Rate Warrants that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to subsection (a) of this Section 3.9, the Submitted Bids and Submitted Sell Orders shall be accepted or rejected, and the Auction Agent shall take such other actions as are set forth below:

(a) If Sufficient Clearing Bids exist, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (e) and (f) of this Section 3.9, Submitted Bids shall be

accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(i) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Auction Rate Warrants subject to such Submitted Bids;

(ii) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, entitling each such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Warrants subject to such Submitted Bids;

(iii) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the aggregate principal amount of Auction Rate Warrants subject to such Submitted Bids;

(iv) each Existing Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Warrants subject to such Submitted Bid, unless the aggregate principal amount of Outstanding Auction Rate Warrants subject to all such Submitted Bids shall be greater than the principal amount of Auction Rate Warrants (the "remaining principal amount") equal to the excess of Available Auction Rate Warrants over the aggregate principal amount of the Auction Rate Warrants subject to Submitted Bids described in paragraphs (ii) and (iii) of this subsection (a), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Auction Rate Warrants subject to such Submitted Bid, but only in an amount equal to the principal amount of Auction Rate Warrants obtained by multiplying the remaining principal amount by a fraction, the numerator of which shall be the principal amount of Outstanding Auction Rate Warrants held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amounts of Auction Rate Warrants subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(v) each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Auction Rate Warrants obtained by multiplying the excess of the Available Auction Rate Warrants over the aggregate principal amount of Auction Rate Warrants subject to Submitted Bids described in paragraphs (ii), (iii) and (iv) of this subsection (a) by a fraction the numerator of which shall be the aggregate principal

amount of Auction Rate Warrants subject to such Submitted Bid of such Potential Holder and the denominator of which shall be the sum of the principal amount of Outstanding Auction Rate Warrants subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(b) If Sufficient Clearing Bids do not exist (other than because all of the Outstanding Auction Rate Warrants are subject to Submitted Hold Orders), subject to the provisions of subsection (e) of this Section 3.9, Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(i) Existing Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Warrants subject to such Submitted Bids;

(ii) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be accepted, thus requiring each such Potential Holder to purchase the aggregate principal amount of Auction Rate Warrants subject to such Submitted Bids; and

(iii) each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Auction Rate and the Submitted Sell Order of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Auction Rate Warrants subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Auction Rate Warrants obtained by multiplying the aggregate principal amount of Auction Rate Warrants subject to Submitted Bids described in paragraph (ii) of this subsection (b) by a fraction, the numerator of which shall be the aggregate principal amount of Outstanding Auction Rate Warrants held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Auction Rate Warrants subject to all such Submitted Bids and Submitted Sell Orders.

(c) If all Outstanding Auction Rate Warrants are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(d) If (i) the Auction Agent shall fail to take any action necessary to determine, or shall take any action which effectively prevents the determination of, an interest rate pursuant to the Auction Procedures or (ii) the conditions set forth in subsection (b) of Section 3.4 to effect a change in the Auction Period are not met, all Submitted Bids and Submitted Sell Orders shall be rejected and the existence of Sufficient Clearing Bids shall be of no effect.

(e) If, as a result of the procedures described in subsection (a) or (b) of this Section 3.9, any Existing Holder would be entitled or required to sell, or any Potential Holder would be required to purchase, a principal amount of Auction Rate Warrants that is not equal to \$25,000 or an integral multiple thereof, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, round up or down the principal amount of such Auction Rate Warrants to be purchased or sold by any Existing Holder or Potential Holder so that the principal amount purchased or sold by each Existing Holder or Potential Holder shall be equal to \$25,000 or an integral multiple thereof.

(f) If, as a result of the procedures described in subsection (a) of this Section 3.9, any Potential Holder would be entitled or required to purchase less than \$25,000 in aggregate principal amount of Auction Rate Warrants, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, allocate Auction Rate Warrants for purchase among Potential Holders so that only Auction Rate Warrants in principal amounts of \$25,000 or an integral multiple thereof are purchased by any Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing any Auction Rate Warrants.

(g) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amount of Auction Rate Warrants to be purchased and the aggregate principal amount of Auction Rate Warrants to be sold by Potential Holders and Existing Holders and, with respect to each Potential Holder and Existing Holder, to the extent that such aggregate principal amount of Auction Rate Warrants to be sold differs from such aggregate principal amount of Auction Rate Warrants to be purchased, determine to which other Potential Holder(s) or Existing Holder(s) they shall deliver, or from which other Potential Holder(s) or Existing Holder(s) they shall receive, as the case may be, Auction Rate Warrants.

(h) The County may not submit an Order in any Auction.

Section 3.10 Auction Rate Period – Auction Rate Warrants: Adjustment in Percentage. (a) During an Auction Rate Period, the Remarketing Agent may adjust the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate if any such adjustment is necessary, in the judgment of the Remarketing Agent, to reflect any Change of Preference Law such that the All Hold Rate and Maximum Auction Rate shall have substantially equal market values before and after such Change of Preference Law. In making any such adjustment, the Remarketing Agent shall take the following factors, as in existence both before and after such Change of Preference Law, into account: (i) short-term taxable and tax-exempt market rates and indices of such short-term rates, (ii) the market supply and demand for short-term tax-exempt securities, (iii) yield curves for tax-exempt securities or obligations having a credit rating that is comparable to the Series 2003-B Warrants, (iv) general economic conditions and (v) economic and financial factors present in the securities industry that may affect or that may be relevant to the Series 2003-B Warrants.

(b) The Remarketing Agent shall communicate its determination to adjust the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the

Maximum Auction Rate pursuant to subsection (a) hereof by means of a written notice delivered at least 5 days prior to the Auction Date on which the Remarketing Agent desires to effect the change to the County, the Trustee and the Auction Agent in substantially the form attached hereto as Exhibit B-4. Such notice is required to state the determination of the Remarketing Agent to change such percentages and the date such adjustment is proposed to take effect (which date shall be an Auction Date). Prior to delivery of the notice described in this section, the Remarketing Agent shall have received written approval of the County (which approval shall not be unreasonably withheld) to such change. The notice described in this section shall be effective only if it is accompanied by the form of opinion that Bond Counsel expects to be able to give on such Auction Date to the effect that such adjustment is authorized by this Ninth Supplemental Indenture and will not have an adverse effect on the exclusion of interest on the Auction Rate Warrants from gross income for federal income tax purposes. The Auction Agent is required to mail notice thereof to the Existing Holders within two Business Days of receipt thereof.

(c) An adjustment in the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate shall take effect on an Auction Date only if (A) the Trustee and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding such Auction Date, a certificate from the Remarketing Agent by telecopy, facsimile or similar means, (i) authorizing the adjustment of the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate which shall be specified in such authorization, and (ii) confirming that Bond Counsel expects to be able to give an opinion on such Auction Date to the effect that the adjustment in the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate is authorized by this Ninth Supplemental Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Auction Rate Warrants from gross income for federal income tax purposes, and (B) the Trustee and the Auction Agent receive by 9:30 a.m. (New York City time) on such Auction Date, an Opinion of Bond Counsel to the effect that the adjustment in the percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate is authorized by this Ninth Supplemental Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Auction Rate Warrants from gross income for federal income tax purposes. If the condition referred to in (A) above is not met, the existing percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate shall remain in effect and the Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Auction Procedures. If the condition referred to in (B) above is not met, the existing percentage used in determining the All Hold Rate and the Applicable Percentages used in determining the Maximum Auction Rate shall remain in effect and the Auction Rate for the next succeeding Auction Period shall equal the Maximum Auction Rate as determined on such Auction Date.

ARTICLE IV

CHANGES IN THE ADJUSTABLE RATE

Section 4.1 **Optional Conversion by County.** (a) Prior to the Fixed Rate Conversion Date, at the times specified below, the Series 2003-B Warrants (other than the Series 2003-B-8 Warrants), in whole or in part, shall cease to bear interest at the Adjustable Rate then borne by the Series 2003-B Warrants and shall bear interest at such different Adjustable Rate as shall be specified by the County in a written notice delivered at least 30 days prior to the proposed effective date of the Change in the Interest Rate Mode to the Trustee, the Remarketing Agent, any Securities Depository, the Bond Insurer and the Tender Agent (and to the Auction Agent if such Change in the Interest Rate Mode is to or from an Auction Rate) in substantially the form attached hereto as, or containing substantially the information contained in, the applicable version of Exhibit A. A Change in the Interest Rate Mode to a different Adjustable Rate may only be effected on the last Interest Payment Date for a Daily Rate Period, a Weekly Rate Period, an Auction Rate Period, or a Term Rate Period, and a Change in the Interest Rate Mode from a Commercial Paper Rate to a different Adjustable Rate may only take effect on the Interest Payment Date immediately following the last day of a Calculation Period. A notice of a Change in the Interest Rate Mode pursuant to this Section 4.1(a) shall be effective only if it is accompanied by the form of opinion that Bond Counsel expects to be able to give on the proposed effective date of such Change in the Interest Rate Mode to the effect that such Change in the Interest Rate Mode is authorized by this Ninth Supplemental Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on such Series 2003-B Warrants from gross income for federal income tax purposes.

In the case of any Change in the Interest Rate Mode to a Term Rate, the notice required by this section shall specify the length of the Calculation Period and, unless otherwise specified, such Calculation Period shall thereafter apply to the Series 2003-B Warrants as to which such change is occurring until the earliest to occur of (i) the Fixed Rate Conversion Date pursuant to Section 4.2, or (ii) a Change in the Interest Rate Mode effected pursuant to this Section 4.1 or (iii) the Stated Maturity of the Series 2003-B Warrants. Any change in the Calculation Period during a Term Rate Period shall be deemed a Change in the Interest Rate Mode pursuant to this Section 4.1 and may not be made unless all the requirements of a Change in the Interest Rate Mode pursuant to this Section 4.1 are met.

(b) The Trustee shall mail, or cause the Tender Agent to mail, the notice received pursuant to subsection (a) of this Section 4.1 on or before the third Business Day after receipt thereof to the Holders of the Series 2003-B Warrants.

(c) A Change in the Interest Rate Mode to another Adjustable Rate shall be effective pursuant to subsection (a) of this Section 4.1 only if

(i) with respect to any Change in the Interest Rate Mode from an Auction Rate to another Adjustable Rate, the Trustee and the Auction Agent shall receive:

(1) a certificate of an Authorized County Representative by no later than the seventh day prior to the effective date of such Change in the Interest Rate Mode stating (A) that a written agreement between the County and the Remarketing Agent to remarket such Series 2003-B Warrants on such effective date at a price of 100% of the principal amount thereof has been entered into, which agreement (i) may be subject to such reasonable terms and conditions agreed to by the Remarketing Agent which in the judgment of the Remarketing Agent reflect the current market standards regarding investment banking risk and (ii) must include a provision requiring payment by the Remarketing Agent in same-day funds for any Auction Rate Warrant, tendered or deemed tendered; and (B) that a Liquidity Facility is in effect or has been obtained by the County with respect to those of the Series 2003-B Warrants to be converted from an Auction Rate to another Adjustable Rate and shall be in effect on or prior to the date of such Change in the Interest Rate Mode and thereafter for a period of at least 364 days;

(2) by 11:00 a.m. (New York City time) on the second Business Day prior to the effective date of such Change in the Interest Rate Mode by telecopy, facsimile or other similar means, a certificate in substantially the form attached hereto as, or containing substantially the information contained in, Exhibit B-1 hereto, from the County (x) authorizing the establishment of the new Adjustable Rate, (y) confirming that Bond Counsel expects to be able to give an opinion on the effective date of such Change in the Interest Rate Mode to the effect that such Change in the Interest Rate Mode is authorized by this Ninth Supplemental Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the Series 2003-B Warrants from gross income for federal income tax purposes and (z) confirming that any necessary amendment to this Ninth Supplemental Indenture necessary to provide for the application of moneys available under the Liquidity Facility have been agreed to by the parties hereto and will be in effect prior to the Change in the Interest Rate Mode; and

(3) by 4:00 p.m. (New York City time) on the effective date of such Change in the Interest Rate Mode by telecopy, facsimile or other similar means, a certificate in substantially the form attached hereto as, or containing substantially the information contained in, Exhibit B-3 hereto, from the County that all of the Auction Rate Warrants during an Auction Rate Period tendered or deemed tendered have been purchased at a price equal to the principal amount thereof with funds provided from the remarketing of such Series 2003-B Warrants in accordance with the Remarketing Agreement, and that accrued and unpaid interest, if any, and
